Course Title	Code	Teaching Hours	Credit	Specialty	Assessment	Teacher		Classroom	Description
						Name	Title		
Induction Week		8		compulsory	Evaluation	Cheng-Xiang Wang, et.al	Prof.	A-526	There are two classes. One is arranged in the schedule, the other might be flexibly arranged by the teacher depending on the situation.
Praxis Electronic Design	B37VA	64	4	compulsory	Evaluation	Cheng-Xiang Wang	Prof.	E-III-101~103	
Mathematics for engineers and scientists (I)	F17XA	48	4	compulsory	exam	Yu-Pu Hu	Prof.	A-526	
Introduction to Electrical and Electronic Engineering (I)	B37EE	54	4	compulsory	exam	Xu Wang	Associate Professor, Dr.	A-526	B37EET is the tutorial of B37EE, which takes one teaching hour each time.
Mechanics and Waves	B27MW	48	4	compulsory	exam	Pei-Kun Zhang	Associate Professor, Dr.	A-526	
English for Telecommunications Engineering (I)	TE1501	48	4	compulsory	Evaluation	Qi Ma, Jin Peng	Lecturer, Lecturer	Language lab	There are two classes each week. One is arranged in the schedule, the other might be flexibly arranged by the teacher depending on the situation.
Situation and Policy Education (I)	HA1008	4	0.3	compulsory	Evaluation	Xia Cheng, Jian-Wei Liu	Associate Professor	D-212	
College Student Career Development	HA1005	10	1	compulsory	Evaluation	Yan Wang	Lecturer	B-211	
Physical Education	HE1001	30	1	compulsory	exam	Guangbin Bai	Associate Professor	Stadium	
Mathematics for engineers and scientists (II)	F17XB	48	4	compulsory	exam	Jun-Tao Gao	Associate Professor	A-526	There are 20 teaching hours for this semester and 28 teaching hours for next semester
Introduction to Mechanical Engineering	B57AU	48	4	compulsory	exam	Qing-Juan Duan	Associate Professor	A-526	There are 18 teaching hours for this semester and 30 teaching hours for next semester
Praxis Programming	B37VB	48	4	compulsory	Evaluation	Xian-Yun Wu	Lecturer, Dr.	A-526	There are 28 teaching hours for this semester and 20 teaching hours for next semester
Fields and Forces	B27FF	48	4	compulsory	exam	Pei-Kun Zhang	Associate Professor	A-526	There are 24 teaching hours for this semester and 24 teaching hours for next semester

备注 Each course provides detailed lecture schedule to carry out. Please follow the notification of the class if there are any changes. The courses on October 7 will be adjusted to October 10 due to the National Holiday.
